# Health Effects of 9/11: An Online Exhibition

*The World Trade Center Health Program presents Health Effects of 9/11, an online exhibition.*

This exhibition is devoted to raising awareness about the ongoing health effects linked to 9/11 exposures.

Developed in partnership with the David J. Sencer CDC Museum, the exhibition is dedicated to all people impacted by 9/11, including those who lost their lives that day, those who have died from 9/11-related illnesses, and those who continue to struggle with 9/11-related illness or injury.
